● Kiran Khatri Director

I am a finance professional who has multi years' experience with a strong background knowledge in Accounting, Taxation, Finance and insurance. I can make use of my skills in preparation of Tax returns, personal as well as corporation, full cycle accounting, financial statements, budget estimates, variances, business proposals, investment portfolio management etc

Over the years I have successfully trained and mentored numerous individuals, equipping them with the necessary skills and knowledge to excel in these fields. Working with start-ups to very small organisations and sharing my professional advice to grow for medium to long run.

I have provided my assistance to big organisations such as the City of Toronto, Assured Automotive, CAA, Canadian Tire, Shoppers Drug Mart, Red Box Restaurant, Software developers, Franchise of D & Q and Shell gas station to convenience stores in different capacities. Through my recommendation my clients saved thousands of \$\$\$ & got good returns by investing at the right place at the right time.
